

## DIAMOND HILL PARK

Diamond Hill Park is truly Cumberland's diamond-in-the-rough. A former ski area, it is now home to 3.8 miles of marked invigorating trails up the 350 foot rise of "The Big Hill." The park gets its name from its mica-laden rocks glittering in the sunlight. Trails are color coded to match the map so you will always know where you are. After your hike take a rest by the pond near the bandstand.

The Park was originally transferred to the State from private ownership around 1935. It was operated as a ski area from 1939 into the 1980's, closing after several seasons of disappointing snowfalls. Management of the Park was transferred to the Town of Cumberland from the State in 1997. It is a venue for many popular events including the summertime "Cumberland Fest" carnival and fair, and "Haunted Hill" in the fall. The Town hopes you enjoy your day in the park.

## WHO WE ARE

The Cumberland Conservation Commission was formed as a result of the Green Acres Land Acquisition Act of 1964. The act provided for cities and towns to establish Conservation

Commissions to oversee the protection of natural resources. Our goal is to maintain and preserve the natural environment in Cumberland by promoting, protecting, and developing its ecological resources and advising town officials and board members of environmental concerns relating to land use.

### GENERAL TRAIL RULES

- Please stay on the trails.
- No hunting, fishing, or collecting.
- Dogs are permitted on leashes.
- Owners must clean up their pet's mess.
- No ATV's or other motorized vehicles.
- Please respect neighbor's private property.
